## ***From the Vice President ( Paul Urquhart )***

Ha it's June and the flying season is here but the weather has not been the best for flying. Some of us are coming out of our winter hibernation and getting in some flying time. By the time you read this we will have had the first water float fly and the WWP picnic will be happening very soon. The float fly was fun and a fairly good turn out. As for the WWP picnic it has not happened yet as I write this so I hope we have good weather and a good turn out. Thanks to Larry for the float fly and the others that came out to both events.

Remember that on July 14th we have our club fun fly and picnic. I will be posting a food list via email for members to pick a food item that they will bring to the picnic. You will also have to bring the plane that you want to compete with in the Bomb drop challenge. If you are a drone flier bring your drone for the Drone challenge.

Let's do some flying and see you soon.

Paul Urquhart VP
