## ***From the President (Mike Schulz)***

I want to say once again how much I appreciate the members of this club and their support of the Wounded Warrior Project event. This year's event was a spectacular success, and the reason for that was the members of our club stepping up and helping every step of the way with this project. Flight simulators, flight instructors, friendly engaging people, catered food, pop, water, ice, coolers, chairs, sound system, porta-pottie and wash station, name tags, spotters, drone demos, flight demos, and food setup help (Skip B. your wife and daughter deserve a special mention for all their help with food and drinks), clean up and garbage removal. Thank you to everyone who showed up and showed these veterans and their families that we appreciate their service and want the very best for them. Some of the WWP veterans traveled from as far away as Mokena, Illinois and Sheboygan, Wisconsin.

Here are some words of appreciation from Courtney Voss who organized this event on behalf of the WWP organization:

Thank you so much for everything on Saturday. What you all do for our warriors and families is truly so generous and we greatly appreciate it!

So thanks again, know that you are appreciated, and get ready for the picnic, which is Saturday July 14th! Paul has done a great job planning this event, let's get out there and have some fun.

***-Mike***

## ***From the Vice President ( Paul Urquhart )***

In the past month I have seen some good days and some not so good days for flying. But the grass and the corn has been doing great. Thanks to all that have helped with the grass and looking for lost planes in the corn. If you lose a plane in the corn or beans try to mark the last direction that you saw your plane go down with your radio's antenna by setting it down on the ground pointing to that last direction. Now that you have a direction pick out a landmark you can use to head towards your plane or guide others to it.

Do not go in the corn alone! After you have a landmark take your radio with you you maybe able to make a noise you could hear as you are looking. Be safe first. We have had luck using a drone to look for lost planes.

Let's do some flying and see you soon.

Paul Urquhart VP

## ***Membership Handbook***

The membership application form, handbook and acknowledgement form have been updated for 2018.

All members will be required to read the membership handbook and return the handbook acknowledgement form with their signature stating that the handbook was read and understood in order to receive their membership card.

The handbook can be downloaded from our website at:

<http://www.coleagles.com/index.php/club-documents/72-membership-handbook>

Once you have read the handbook, download, print, and sign the following acknowledgement form:

<http://www.coleagles.com/index.php/club-documents/80-handbook-ack-form>

and bring it to the next meeting.

## **Every club member is required to sign a new acknowledgement form each year.**

Please take some time to read the manual. If you have any questions, bring them to the next meeting and they will be answered.
