Welcome to the Chain O Lakes Eagles RC Club. Dues are \$75 annually. After July 1, the dues are reduced to \$40.00 for the remainder of the calendar year. To protect you, the club, and the field property owner from liability, membership in the Academy of Model Aeronautics is required. The meetings are held on the Third Wednesday of every month at 7:00 p.m. at the Rusty Nail, located at 4520 Ringwood Road, Ringwood, Illinois, 60072. Safety is of the utmost importance, and you may begin flying at the field after you have demonstrated that you can fly safely and follow AMA rules to an instructor.

If you are new to the hobby, weather permitting the club has flight school on Saturday morning from 10:00 A.M. to noon. We have buddy boxes and cords for Spektrum radios. Please call an instructor and make arrangements with an instructor if you are looking for help on days other than Saturday. To keep our flying site safe and protect property and people, do not fly until you have soloed or demonstrated your flying ability to an instructor.

Pictures are often taken of members and their aircraft for the club website and newsletter. It is possible your picture may be used in the newsletter and/or website. Therefore, signing this application authorizes

Chain O Lakes Eagles to use your picture or likeness in its newsletter and/or website.
